TO THE MEMORY OF IDA LOVELL ROCKWOOD
WIFE OF OUR BELOVED PRINCIPAL
THIS VOLUME
IS REVERENTLY INSCRIBED
BY THE CLASS OF 1929
WHO SHARE IN THE REGARD
AFFECTION AND ESTEEM WHICH
THE WHOLE CITY FEELS
FOR
THE LOVELY LADY WHO IS GONE

ON A LIMPID AFTERNOON WITH OCTOBER'S SUN TURNING AUTUMN GOLD AND SUMMER GREEN TO MELLOW BRONZE,—

*"On Sunday, in the sun light,*
*With brightness round her strown,*
*And murmuring beauty of the sky*
*At last her very own,*
*She went away to silentness*
*And bliss unseen."*

THE FOLLOWING ADAPTATION FROM THE VICTORIAN SINGER WHO KNEW BOTH LOVE AND LOSS WE DEDICATE TO

## OUR PRINCIPAL

WHO, THROUGH ALL THE TRACT OF YEARS, HAS WORN THE WHITE FLOWER OF A BLAMELESS LIFE IN THAT FIERCE LIGHT WHICH BEATS UPON A SCHOOL.
TO HIM WE SAY:

*May all love,*
*His love, unseen but felt, o'er shadow thee,*
*May the love of all thy friends encompass thee,*
*May the love of all thy students cherish thee,*
*May the love of all thy teachers comfort thee,*
*Till God's love set thee by* HER *side again!*

Ida E. Rockwood

You are finishing your High School Education, but the broader education that life will bring to you is just beginning,—the education of work, of responsibility, of contact with your fellows.

What is your back-ground of moral and mental honesty and accuracy? Have you been satisfied with a rank of 65, satisfied with "just getting by"?

The big leagues have no use for a player who catches 75 per cent of the flies.

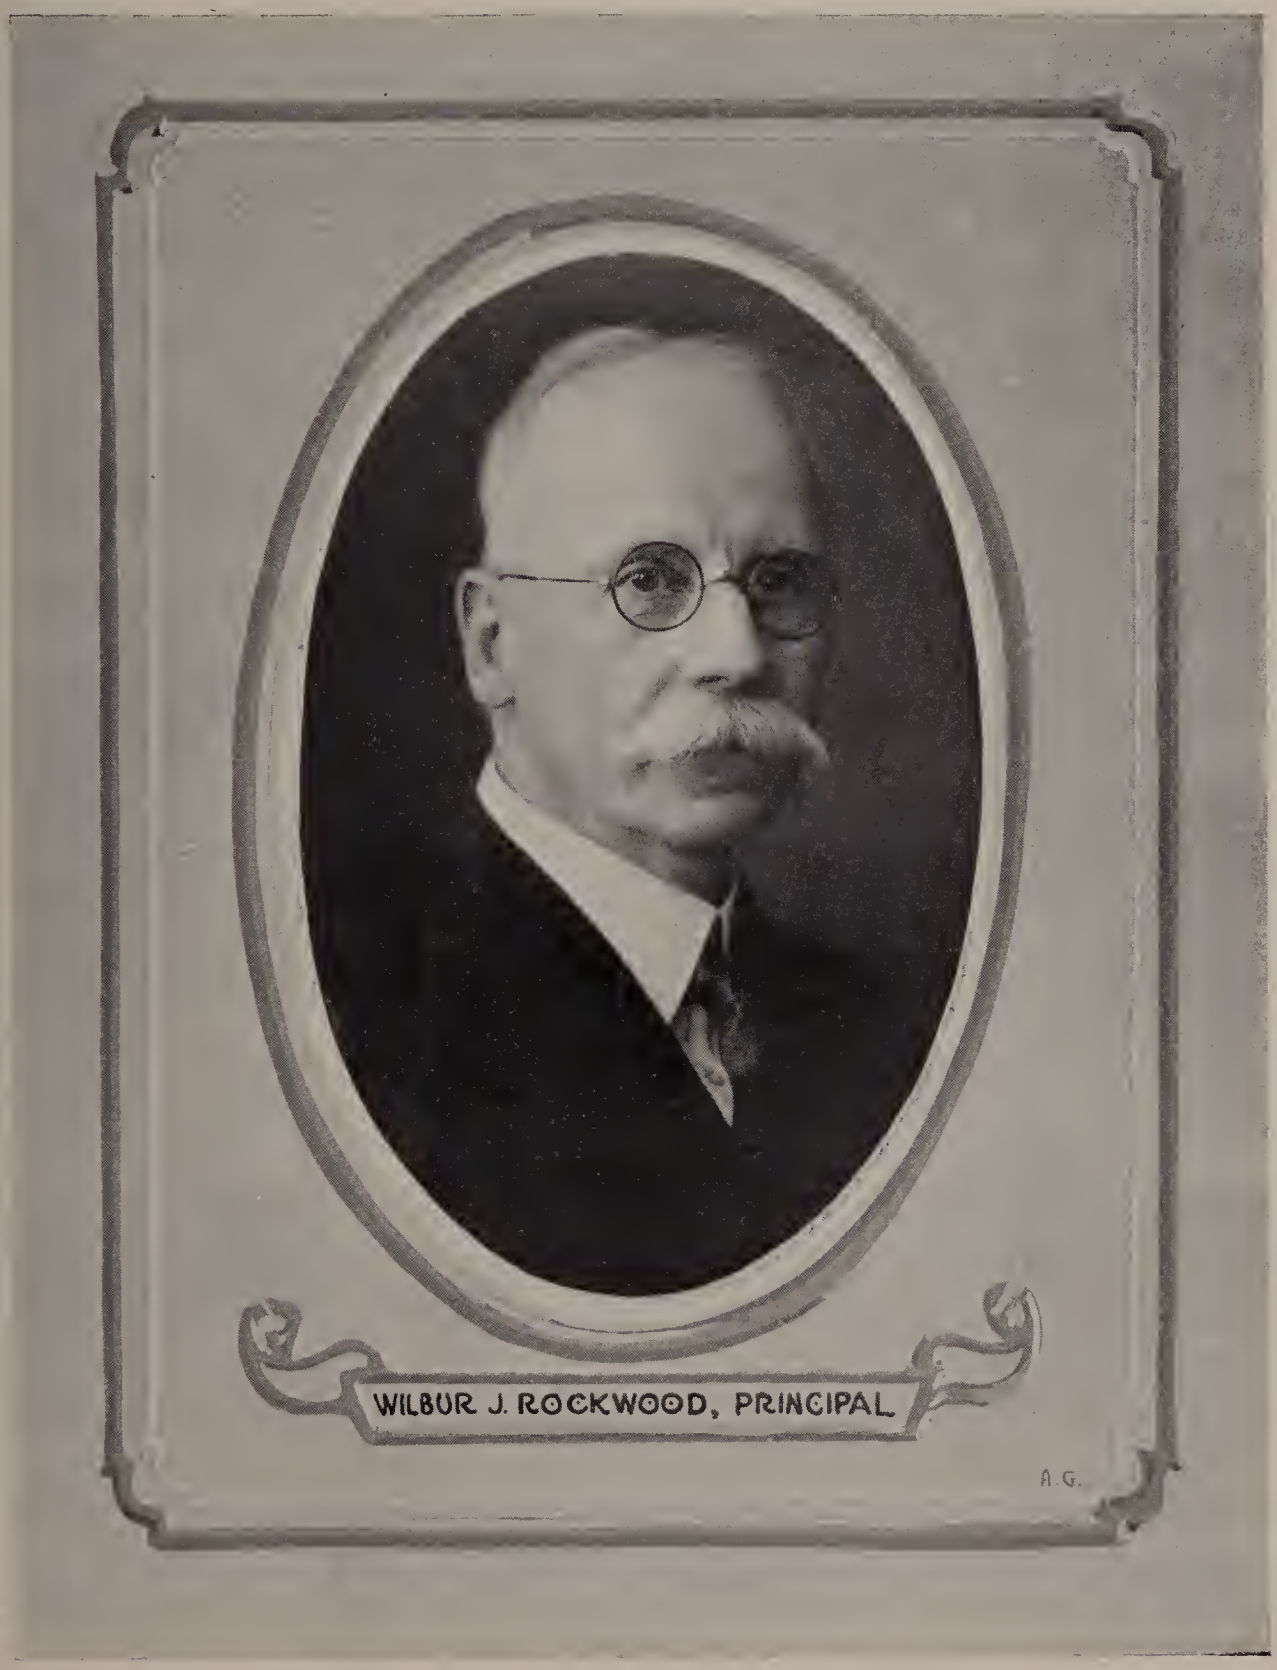

The stenographer who can read 80 per cent of her notes cannot retain her job.

The banker will not employ a cashier who is honest 90 per cent of the time.

Is your background such that you have the courage and the will to make your effort, your honesty, your attitude toward your fellows 100 per cent of the ability God has given you to do these things?

If so, you are ready for the greater school of endeavor, just ahead.

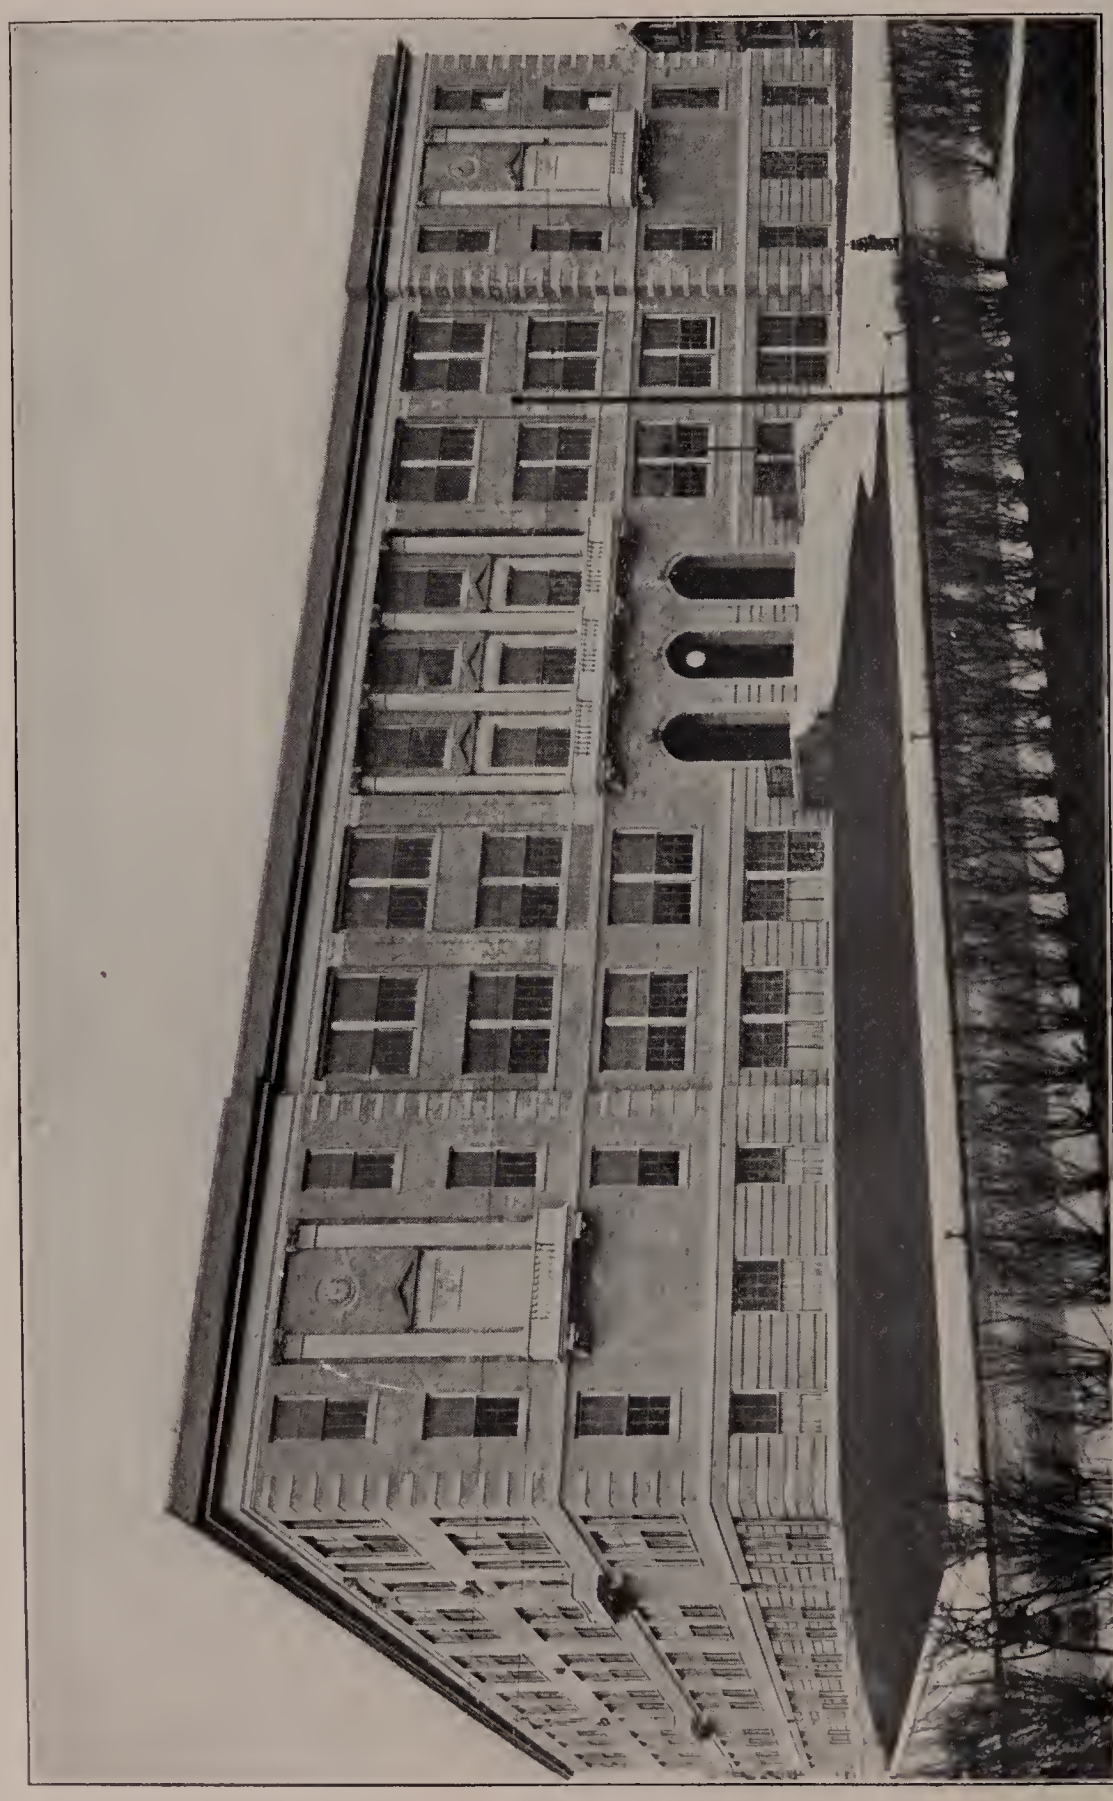

WILBUR J. ROCKWOOD.

MAY YOUR HOPES AND DREAMS MATERIALIZE. TO THIS END APPLY YOUR EDUCATION ENERGETICALLY. GUARD YOUR CHARACTERS AS YOU WOULD YOUR LIVES. IT IS TRUE THAT YOUR DAYS AT OLD EVERETT HIGH SCHOOL ARE OVER. MORE SERIOUS PROBLEMS OF LIFE CONFRONT YOU. HAVE COURAGE. FORWARD MARCH, INTO THE FIELD OF COMPETITION. IT IS THE SURVIVAL OF THE FITTEST. MY HEART GOES WITH YOU.

## FOREWORD

The class of nineteen hundred and twenty-nine, soon to be graduated, will probably never be able to assemble again in one large body. We leave behind us a record of our combined achievements of which we may well be proud. The future has always been an inspiration to us. With high ideals and excellent standards we have ever striven to give our best for the benefit of the school and our class. We have reached this goal. Now with a feeling of gratitude to the faculty for their patient and efficient training we are going out into the world, satisfied that we can live up to that honorable reputation that we have established in our High School. We trust that the following classes will carry on the work where we have left it, always remembering that earnest, steady toil brings success in the end.

## MEMORIES

*You may not prize this book*
*When first it comes to you,*
*You'll just glance o'er the pages*
*And read a word or two.*
*You'll throw it carelessly aside*
*To read "some rainy day,"*
*And there on some dark dusty shelf*
*Where you left it, will it stay.*

*Time goes quickly—years have passed--*
*You dream of school again.*
*You search the attic thoroughly,*
*How lucky! Not in vain.*
*For there that same old treasure lies*
*With cobwegs, dust, and age,*
*You take it tenderly in hand*
*And study every page.*

*How dear to you these memories are,*
*And how you long to see*
*Your school mates, friends,*
*And every member of the faculty.*
*Some have traveled far and wide,*
*Others won renown*
*Fortune, wealth, good-luck, and joy—*
*Each his share has found.*

*Moral: So read your year book carefully*
*Study each face, and deed, and name,*
*Then you'll be well acquainted*
*With your high school's "Hall of Fame."*

**David Abrams** — **120 Nichols Street**

*Alpha Mu*, '29. *Cheerleader*, '27, *Head Cheerleader*, '28, '29. *Lyceum Play*, '27, '29. *Prize Speaking Contest*, '27. *Lyceum*, '27, '28, '29.

"Dave," a snappy dresser, is known through-out the school for his pep. As a cheer leader, at the class meetings, in debates, playing basket-ball, he always makes thinks lively. He even does this in home-room periods when he can stay awake.

**Carl Ephraim Ahlquist** — **96 Vernal Street**

*Vice Pres. Current Events Club*, '29.

"Kill," the chemistry shark, is very much interested in all branches of science. He is particularly interested in Ornithology. "Kill" says he believes that Darwin was a great scientist. We agree with you, sometimes, don't we, "Kill"?

**Doris Graham Ahman** — **98 Woodlawn Street**

"Dot" is one of those sweet, petite, curly haired little girls whose chief desire is to dance. We hope that when you realize your ambition to be a dancer, Dot, you won't forget to come back to Everett and see us.

**Lillian Alpert** — **126 Florence Street**

*"E" Club Show*, '29.

"Lillums" is of that attractive type and not only that, but she has brains. If you boys need any worldly knowledge in 1930, ask "Lil" as she'll be in B. U. trying to become worldly wise.

**Vincent Andaloro** — **165 Ferry Street**

*Current Events Club*, '29. *Spanish Club*, '28.

It surprises us that Vinnie hasn't absent mindedly answered some question or other in Spanish at the meeting of the Current Events club. We hope you realize your ambition to become a Doctor, Vin!

**Esther Anderson** — **1 Sea Street**

"E's" ambition is to go places and do things. Maybe she will be a kindergarten teacher if she doesn't go places.

**Alice Louise Anderson** 21 Woodlawn Street

*Orchestra,* '27, '28, '29. *Girls' English Club,* '29.

"Breezy", with her charming personality, will be head nurse in some large hospital.

**Frank Arnold Anderson** 7 Belmont Street

*Tech Club,* '29.

"Bugs," one of our Tech boys who intends to be a bachelor, is bound to make good. A chap that will listen to good advice and let it sink in, can't help it. May the future have something worth while for you.

**Jessie Carolina Anderson** 15 Richdale Avenue

*Girls' Basketball Team. Clementonian,* '28.

"Andy" is at home either in the gym or in the study hall. A fine athlete and a fine pupil, she is very popular with her classmates.

**Ruth Evelyn Arkerson** 61 Winthrop Street

Ruth's ambition is to become a private secretary. She has been a secretary of two of her homerooms and is experienced to some extent. She is a sincere student and a good worker.

**Margaret Cecilia Arnott** 130 Hancock Street

*Commercial Club,* '26. *Clementonian,* '28. *Year Book Staff,* '29.

"Marg's" smile is familiar to all of us. She has studied hard and has been rewarded with fine marks. She is very popular and has all our best wishes for success in her chosen profession.

**Arpy Arsenian** 9 Parlin Street

*Tennis Team,* '26. *Field Hockey,* '26. *Girls' English Club,* '29.

Arpy's classmates consider her the most learned of them all. She has been an honor student throughout her high school career. Her store of knowledge seems to be boundless. We are very sure that Arpy will be a success as a teacher.

**Ruth Eleanor Baker** — **40 Everett Street**

Ruth is one of the "three musketeers". She is of the quiet type and bound to make a good stenographer or secretary.

**William D. Barone** — **128 High Street**

*Orchestra,* '26, '27, '28, '29.

"Bill" is known to us as a little fellow with a violin. He has been an important member of the orchestra all through his high school years. Bill is headed for Tufts Medical and then for two years at Rome. These are high ambitions, but we know he will attain fame.

**Frances Bemis Bartlett** — **42 Cedar Street**

*Orchestra,* '26, '28. *Girls' Glee Club,* '28, '29.

"Frannie" if you can ever cook like you play the piano you won't be long finding your way to some man's heart. We hope you will continue with your music and some day we'll hear great things about you.

**Elizabeth Loretta Barry** — **6 Bartlett Street**

"Billy" is a girl who is liked by everyone. Always a smile—that's "Billy." She won't tell us what she is going to be, but we think she would make a good cook to a "certain party."

**Garrett Thomas Barry** — **49 Thurman Park**

"Doc" looks like a pessimist but those who know him say that looks are deceiving. He belongs to many sororities such as, Eata Bita Pie and Playa Handa Poker. It seems that "Doc" forgot to get an ambition. We hope, however, that he succeeds!

**Willard George Beaman** — **1 Locust Park**

*Algebra Club,* '28.

Bill is going to engineer awhile at Northeastern. We wonder what he's going to engineer? Well, anyhow, we wish you success in all your undertakings.

**David Bellafatto** — **20 Lynde Street**

*Tech Club,* '28, '29. *Football,* '29. *Baseball,* '29.

"Dave" is a quiet chap, but we expect him to blaze his way to success in business.

**Emma Thelma Benton** — **139 Vernal Street**

*Orchestra,* '26, '27, '28, '29. *Glee Club,* '27, '28. *Glee Club Play,* '28.

"Thel" is one girl in a million. She's faithful to her homework. She also must be very faithful to her violin practice for she is quite skilled in the art of "violining." We hope she succeeds in her ambition to teach school.

**David L. Bick** — **66 Nichols Street**

*Alpha Mu,* '29.

"Dave" has been a member of the Out-of-door traffic squad for two years and still healthy, by gun!

David, how could you be so cold blooded; imagine cutting up little lambs and pigs; so! a butcher you'll be. Well, you'll attain success all right. Adios.

**Myrtle Elizabeth Bickford** — **32 Kenwood Road**

*Thadda Delta Pi,* '26.

"Bickie" is modest and shy but travels about with a smile on her face for everyone. Her ambition is to be somebody's "Stenog." Myrtle, you have our best wishes for success.

**James T. Bleiler** — **35 Morris Street**

*Football,* '27, '28. *Basketball,* '26, '27, '28. *Lyceum,* '26, '27. *Hockey,* '28. *Christmas Fund Committee,* '27, '28. *Tappa Kegg,* '29. *"E" Club,* '29, *"E" Club Play,* '29.

"Jimmie" is the boy Apollo, the answer to a maiden's prayer. Jim, don't go near Hollywood, you know what happened to Valentino. You've been successful in all your undertakings. Let's see you do the same in years to come.

**Leonard Bloom** — **17 Kenwood Road**

*Alpha Mu,* '29. *Tennis Team,* '27, *Manager,* '28, *Captain,* '29. *Lyceum,* '27, '28, '29. *Lyceum Play,* '27, '28. *Track,* '27. *Hi-Y,* '28.

"Len" has a weakness for tennis, pretty girls, and big words—isn't he just too cute! "Caesar was ambitious," says he, "Do I look foolish?" Dun't Esk!

**Harold E. Boone** — **11 Thurman Street**

Although "Ike's" ambition runs in many lines and he wishes to be a "jack of all trades," his secret ambition is to be a ladies' man.

**Agnes Mae Brady** — **24 Arlington Street**

Another young lady in love with dancing is Agnes. We think that that's a very good way to wear out your shoes, Agnes. May you have great success as a private secretary.

**Margaret A. Breau** — **39 Highland Avenue**

*Spanish Club,* '26, '27, '28, '29. *Ashleyites,* '29.

"Peggy" is a blonde, charming, member of the commercial course. She was a member of the Spanish Club, Commercial Club, and Ashleyites. Her ambition is to be on time. This is a very commendable ambition. Success, "Peggy".

**Carlton Frederick Breen** — **121 Hancock Street**

*Hi-Y Club,* '27, '28. *Tech Club,* '29.

"Breenie" has high ideas. That is, his mind turns toward skyscrapers. We wish you great success as Boston's leading architect, "Breenie."

**Mary Agnes Brennan** — **25 Dowse Street**

"Mae" is the sort of sweet colleen that you read about in story books. She studies faithfully and is ever true to her books. She hopes and is ambitious to continue her studies when she graduates.

**Francis Carmen Brogna** — **38 Shute Street**

*Tech Club,* '27, '28, '29. *Seavernites,* '29.

"Whiskers" wishes the Class of '29 Good Luck. He proved himself a very good member of the Traffic Squad. His ambition is to become a real "Shiek," etc.—also a general success in life.

**Irving Brown** **19 Glendale Street**

*Sigma Kappa Kappa*, '28, '29. *Treasurer Tech Club*, '28. *Student Council*, '27, '28, '29.

"Bud" is still trying to find a quicker route to Winthrop. Won't some kind person help him out? He has a pleasing personality. Any of the girls will tell you.

**Thyra Brown** **51 Central Avenue**

Thyra hopes to be a private secretary in the near future. She would certainly make an ideal one if she continues her good work.

**Vincent Jonathan Brunke** **18 Timothy Avenue**

*Football*, '28, '29. *Track*, '28, '29. *School Council*, '26, '29. *Christmas Entertainment Committee*, '29. *Christmas Basket Committee*, '29. *Lyceum*, '29. *Usher at Graduation*, '26, '27. *Business Manager of Yearbook*, '29. *Sigma Kappa Kappa*, '29. *"E" Club Play*, '29. *Chairman Senior Play*, '29. *Secretary "E" Club*, '29.

Whenever you want any assistance whatsoever, call on the ever willing "Vin". He has worked very hard on school activities. For the next few years we will be reading in the papers about "Vin" playing college football.

**Philip Bryant** **89 Winslow Street**

*Lyceum, 4 years. School Council*, '28, '29.

"Slim" says his ambition is to dodge the girls and make progress. Don't you believe it. He is a "dancing shadow." If you don't believe that ask any teacher at the class meetings.

**Dorothy Veronica Burke** **3 Victoria Street**

If you should happen to own a store as large as the "Enterprise," hire "Dot" as the model. She surely can dress!

**Richard Stanley Burton** **127 Hancock Street**

*Hi-Y*, '27, *Secretary*, '28. *Basketball*, '29. *Hi-Y Play*, '27.

"Dick" showed his skill in basketball this year. Yet his ambition is to fly a non-stop flight around the world. Well, it has been said that it should be spelled hop-opportunity.

**James Lawrence Butler** — 24 Cross Street

*Band,* '26, '27.

Though small in size, "Shamus" possesses great ambition. This young chap hopes to become one of our future successful lawyers. Well, he certainly can talk, anyway!

**Joseph Calo** — 37 Francis Street

*Spanish Club,* '28, '29.

"Joie" is so-called because of his aversion to the girls. Maybe they don't kid him, but we think he likes it.

**Bertram Novell Cameron** — 64 School Street

*Football,* '27, '28. *Current Events Club,* '29. *Traffic,* '28, '29.

"Bert," you'll make a fine farmer. We can see you now tilling the soil at four in the morning. Kind of early "Bert?" Well, good luck. Let's see your way to success.

**William Joseph Cannon** — 39 Fremont Avenue

*Lyceum,* '29.

Someday we are going to hear of a lawyer winning a famous case. That will be 'Bill." Perhaps he will be president some day. Who knows? He belonged to the Lyceum and was most proficient in American History.

**Lillian Gertrude Carey** — 16 Myrtle Street

*Girls' English Club,* '29. *Sigma Beta Gamma,* '29.

"Bud," wishes to become a teacher. She'll know her "stuff" when she gets through B. U. But watch out! Old Dan Cupid gets a lot of these pretty teachers.

**Dorothy Marie Carney** — 3 High Street Terrace

*Basketball Team,* '27, '28. *Tennis Team,* '28. *Ashleyites,* '29.

"Dot" has belonged to many teams and clubs. She must be a very efficient young lady, and we hope you succeed as a singer, "Dot".

**Robert Chambers** — **17 Stuart Street**

*Tech Club,* '26, '27, '28, '29.

"Rob" is one of the many Tech boys who is going to make good as an architect. His drawings were put on exhibition at the exposition, and we feel confident that he will be a huge success.

**John James Chisholm** — **18 Edith Avenue**

*Band,* '28, '29.

"Grippers" hopes to go places and do things. He is one of our most talented band members. We can see him as a successful business man, probably head bookkeeper of some large concern because "Grippers" just shines in bookkeeping.

**Pauline Chute** — **4 Spring Street**

Pauline is an unassuming and quiet miss who was so modest that she would not even tell us her ambition. However, we do not doubt that she will succeed at her pet avocation. Is it a secret?

**Frederick Ciccarelli** — **6 Lexington Street**

*Tech Club,* '27, '28, '29.

Mr. Ciccarelli, Everett High's "biggest" man, is thinking of becoming a contractor, in which no doubt he will succeed. And a mighty good one at that. "Cicci" is a hard worker. We wish him all the luck in the world!

**Lucy Elena Ciccio** — **19 Cedar Street**

*Spanish Club.*

"Lou" is ambitious to become a bookkeeper. She has studied hard in preparation and should be successful. Though she is sorry to graduate, she is anxious to work her way up in the field of business.

**Albert W. Clarke** — **130 Central Avenue**

"Blondy" wishes to reach great heights and to be able to call someone else "Shrimp." He wishes to be a demon at shorthand as well as typewriting.

**Mary Estelle Caroselli** **107 Bradford Street**

*Spanish Club, 1 year. Clementonians, 1 year. Ashleyites, 1 year.*

Yes, this is Mary; she is witty and as versatile as she can be. She is an accomplished pianist and rendered her most helpful services to chorus for three years. When asked her ambition she replies, "I don't understand. Please explain."

**Helen Glendyne Carpenter** **28 Stuart Street**

*Girls' Glee Club, '27, '28, '29. Traffic, '26, '27, '28, '29. Junior Prom Committee, '28. Senior Dance Committee, '29. School Council, '29. Alpha Gamma Beta, '28, Secretary, '29. Picture Committee, '29. Year Book, '28, '29. Speaking Contest, '28.*

Good looks, good brains, nice personality all in one, "Carpy." Good things come in small packages, you know. Be ever thus, "Carpy!"

**Maurice Edward Carroll** **76 Summer Street**

*Traffic, '29.*

"Flash" who is rapidly coming to the front as a manager of boxing stars, is sure to be heard from later. He intends to fill "Tex" Rickard's shoes and no doubt he will. May you be a famous man in our great world.

**Thomas Patrick Casano** **135 Forest Street, Medford**

*Traffic Squad, '26, '27, '28. Tech Club, '28, '29.*

"Mussolini" hopes to be able to master the English Language, then to follow the footsteps of the Premier of Italy. In doing so, he will thank the Everett High School very heartily for his foundation. Success "Mussolini!"

**Marie Stella Josephine Cassara** **120 Elm Street**

"As thick as thieves" are Trixie and Lill. Where one is, the other is not far away. Where will "Lill" be when "Trixie" is secretary to a nice considerate man?

**Lewis Clinton Chamberlin** **101 Belmont Street**

*Traffic Sergeant, '29.*

"Louie" is the stern and law enforcing Sergeant of second floor traffic. His ambition is to get to California and back before his college days begin. We suggest that you go "millionaire bobs" style because that's quite a fad nowadays. Good luck, Louie!

**Jesse Conde** — **10 Swan Street**

"Jet" you certainly are a fine example of "big things come in small packages." How do you talk so long without taking breath? Your success is assured if you tackle engineering like you tackle words.

**Edward Francis Conley** — **202 Vine Street**

*Tech Club, '29. Seavernites, '29.*

"Ed," you puzzle us because of your silence. Nevertheless, we hear that you intend to enter Northeastern Evening School and show the world a few things about mechanical drafting. Success, "Ed."

**Margaret Patricia Conlon** — **47 Tappan Street**

"It all depends on you," is the way Peg feels towards Arline. What will poor Peg do when she has to get a job without Arline?

**Harold Arthur Conn** — **22 Forest Avenue**

*Lyceum, '27, '28, '29. Lyceum Play, '28. Lyceum Play Committee, '29. Senior Play Committee, '29. First Prize, Prize Debate, '29.*

"Harry" is one of these young men who is always concentrating. We asked him his ambition and he said, "Ask me no questions and I'll tell you no lies." Therefore we will not display our curiosity but we will say that all our best wishes for success are with "Harry."

**Alburn J. Connell** — **98 Clark Street**

*Tech Club, '27, '28. Room Basketball Team.*

# Class History

## *FRESHMAN YEAR*

The fall of nineteen hundred and twenty-five found the Freshman class gazing with wonderment upon the Rainbow of Education that stretched before them. Golden Opportunity was at the journey's end and the trumpeting notes of victory and success beckoned us on to attain that goal. Although our class was divided, some being at the Junior High School, we were all working toward the same end.

The Freshman class at the Junior High was represented by Jack Turner, Arthur Phillips, and John McGrath, each serving a term as class president.

Edward Chisholm was elected Freshman Editor of the "Broadcast" and Walter Duncan was chosen as representative to the School Council. We were fortunate in having two talented artists on the Broadcast Staff, Norman Von Rosenvinge and Abraham Ginsberg. Louis Yaffe was elected as one of the News Editors.

Under the direction of the gym instructor, Mr. Harry Davis, a Freshman basketball team was formed. The team was composed of Captain Everett Washington, Louis Segal, Walter Duncan, Joseph Hill, and Edward Waystak.

The only Freshman to make the track team was Joseph Hill.

The first year of our high school education had been completed and we were one move nearer our goal.

## SOPHOMORE YEAR

At the beginning of the second year our class was united and, as sophisticated Sophomores, we looked upon the Freshman haughtily, but often took back seats when the upper classmen appeared on the scene.

Matthew Ott was elected the representative to the School Council and Lester Legrow was chosen as the Sophomore member of the Good-Cheer Committee.

Later in the year Walter Duncan was elected to serve on the Christmas Committee and also on the Entertainment Committee for the purpose of raising money for the Christmas baskets. Mildred Havey and Arthur Phillips were appointed members of the Broadcast staff.

The only Sophomore to earn the Football "E" and the trip to Canada was Frank Digby.

A Sophomore Inter-Room Basketball team made up of Captain McKeague, Abrams, Wilson, Kruger, Legrow, Pearson, Wallace, and Lewis, won the championship by its fine team work and was presented a banner as a trophy.

We were indeed proud of William Bashford, who took the leading "feminine" role in the Lyceum play, and John McCallum, the leading man. David Abrams was also one of the cast.

The Sophomores were represented on the debating squad by Lester Legrow, David Abrams, and William Bashford.

James Kelley was the only Sophomore on the second basketball team fortunate enough to win a letter.

It was the everlasting teamwork of each individual that made our Sophomore year a real success.

## JUNIOR YEAR

We entered our third year with a feeling of pride as we were now considered upper classmen.

The class elected the following officers: President, Matthew Ott; Vice-President, Frank Digby; Secretary, Hazel Parmenter; Treasurer, Frank Di Venuti. Norman McKenzie and Matthew Ott represented the class in the Student Council.

Willard Davis was elected to the Good-Cheer Committee.

Six boys in the Junior class earned the coveted Football "E": Frank Digby, Captain-Elect; Jerry Paglucia, Donald Dunnan, Matthew Ott, Clifton Loveless, and John Baldwin. Many boys played on the second team, thus giving the first team real material to practice on.

The basketball team that was only beaten once had the honor of going to the National Tournament in Chicago under the leadership of Jerry Paglucia, a member of the Junior Class.

The Juniors gave the Broadcast faithful backing. Frank Di Venuti, Acting Editor the latter part of the year; Matthew Ott, Marie Hagman, Helen Olsen, Norma Perry, and Abraham Ginsberg represented us on the Broadcast Staff. Matthew Ott and Marie Hagman were appointed members of the Broadcast Board.

We were represented on the Year Book Staff by Glendyne Carpenter, the Class Editor.

Many worked hard to gain points toward graduation the coming year; therefore, we find that the class was well represented on the Honor and Credit Lists.

During the Junior year we were called upon to help the High School give financial aid to the sufferers of the Beacon Oil catastrophe. The Junior Class went over the top in raising money. We well remembered the fact that it is "more blessed to give than to receive."

We also had talent in our class. Mabel Howe was discovered as a girl with a "golden voice." Frank Di Venuti and Jimmie Bleiler were the class comedians.

The Juniors also took part in the activities of school. We were prominent in the Orchestra, Girls' Glee Club, and Boys' Glee Club.

Our Junior "Prom" was the biggest social function of the year. Work was left behind and the many students gathered for an evening of real enjoyment. Matthew Ott was the capable chairman of the dance committee and the "Prom" was a great success.

The curtain fell on our Junior year, leaving behind many pleasant memories. We were then ready for the last step toward our goal.

## *SENIOR YEAR*

In the fall of nineteen hundred and twenty-eight we entered our beloved school for the last year.

We chose as our class leaders, after weeks of serious consideration, the following: President, Lester Legrow; Vice-President, Frank Digby; Secretary, Hazel Parmenter; Treasurer, Matthew Ott; Assistant Treasurer, Donald Dunnan.

The class elected as members to the School Council, Glendyne Carpenter and Herbert Maguire, while Mabel Howe and William Harkins represented us on the Good-Cheer Committee.

Our Senior year was overshadowed by the death of Mrs. Rockwood, the wife of our beloved principal.

"Shall claim of death cause us to grieve,
And make our courage faint or fall?
Nay, let us faith and hope receive—
The rose still grows beyond the wall."

Donald Dunnan had charge of arrangements for a fitting memorial to Mrs. Rockwood. The memorial is a shelf of books in the library.

Frank Digby, Captain; Donald Dunnan, Vincent Brunke, Clifton Loveless, "Sonny" Baldwin, Robert Ward, Jerry Paglucia, William Harkins, Thornton Harper, James Bleiler, and Matthew Ott were members of the football team never to be forgotten. Other members of the squad were Yavarow, Kelley, Krueger, Davis, Bellefatto, and Collins.

The basketball team, captained by Ralph Kelley, made remarkable progress. Although Ralph seemed to be a very quiet sort of fellow he led his team through many a hard fight. The Senior members of the team were Paglucia, Tomasello, Harkins, and Yavarow.

The outstanding debaters in our class were Lester Legrow, Harold Conn, David Abrams, John McGrath and Leonard Bloom.

Juanita Murdoch, Glendyne Carpenter, Madalen Rowse, Matthew Ott, Frank Digby, and Lester Legrow were selected as members of the Picture Committee.

The Christmas Committee was under the leadership of our Vice-President, Frank Digby.

Our Senior representatives in the Prize-Speaking contest were Lester Legrow, who received the First Prize for boys, Lena Robinovitz, Clifton Loveless, and John McGrath.

The Senior Dance was a success both in attendance and finances. We have seized the Golden Opportunity at the end of the Rainbow of Education that we had looked upon with wonderment at the beginning of our high school career, but immediately ahead of us is Class Day, Field Day, and Graduation.

Before us awaits the world with open arms, where our paths shall separate, but where for every boy and girl is success if they are but willing to work and sacrifice. If we will make our records true just think, love, act, and trust in God securely.

"You'd scarce expect one of our age,
To speak in public on the stage;
And if by chance we fall below
Demothesenes or Cicero,
Don't view us with a critic's eye,
But pass our imperfections by.
Large streams from little fountains flow,
Tall oaks from little acorns grow

Frances Clapp saying Good-night.

## THE CLASS OF 1931

We, the Sophomore family, occupied the Senior High apartments from September of 1928 to June of 1929.

The head of our large family was Carla Paaske, who represented us in assemblies and executive board meetings. Our leader also served as "Good Cheer" spreader.

The brains of the family seemed to belong to Ruth Caswell and "Mully" Yavarow, who, after a forty week's examination of gray matter, maintained a ninety per cent average.

Lena Levosky brought credit to us by winning the medal for girls in the prize speaking contest.

Many of our boys took part in athletics, and it is with pleasure that we submit these names as "E" men: "Tony" LaCourt and "Babe" Green for football; Ralph Merriman for basketball. "Tony" is to be next year's football captain. John Shea and Edward Conley joined the baseball team; and when the season is over we have high hopes that they will become "E" men.

Two of our girls prominent in sports were Gertrude Snoen and Dorothy Masters, both receiving letters for their work. Gertrude was appointed manager of next year's girls' basketball team.

The apartment paper, "The Broadcast," included four Sophomores on its staff; namely, Joseph Cannell, Marshall Kearney, Carla Paaske, and Stanley Whittemore. Carla also served on "The Broadcast" board.

Besides athletic and brainy pupils our family had much talent, such as was shown by Alice Perrella, Elva Gowen, Blanche De Genova, Donald Hooton, and Harry Willis.

We feel proud of Emma Toth because she has the distinction of being the first girl to start an Aero Club in our city.

Floyd Butler was sent to do our share in the Christmas committee's work.

In January death took from us Thelma Friedstrom.

It is with regret that in disclosing our year's diary we have not space to write of our family in the Lyceum, Band, Orchestra, Girls' and Boys' Glee Club, and other clubs but remembering

"It's not the individual
Nor the army as a whole
But the everlastin' teamwork
Of every bloomin' soul."

We feel that the year has been a success and thank the teachers for their interest in us.

We leave looking forward to September when we again shall occupy the Senior High apartments under the name of Juniors—or better still "upper classmen."

## THE FRESHMAN CLASS

In the month of September, 1928, two hundred and five pupils entered the Freshman Class of Mechanic Arts and Domestic Science in the Senior High School with the firm determination to study conscientiously so as to prepare themselves to be worthy citizens of Everett, and acquire for themselves an education that would be an asset through life.

With our most pleasant year having been practically completed, we stop our ship for a moment to inspect the chart, to view the pleasant stretches, to recall the bumps.

How many of us have lived up to our resolutions of last September? We are sure a great many of us have, and that those that have will form the backbone of the class of 1932, a class that is destined to make a lasting name in the records of the Everett Senior High.

William Brady, School Council,
Jeffries Swift, Christmas Committee,
Eva M. Peasley, Good Cheer Committee,
William Foberg, Parlin Day Committee,
rendered creditable service throughout the year.

We are the first Freshman Class in the history of Everett High to have two fully equipped football teams. The Mechanic Arts Boys, under the coaching of Mr. Mahan, played against the College Course Group of the Parlin Junior High School under the coaching of Mr. Butler, and won with a score of 13–0. The most prominent players in this game were Warren Valentine, Edward Matuccio, Raymond Madden, and George Nee.

The Mechanic Arts Boys joined with the Junior High Boys in forming a Basket-ball League. Teams M, P and O were formed.

Team "M", captained by William Foberg, was the outstanding team.

The Class of 1932 is looking forward to September when it will begin its second lap of its journey.

## SCHOOL COUNCIL

The School Council of the Everett Senior High School has been in operation for the past eight years. Each year it has added a new rung to its "Ladder of Accomplishments."

This year the Executive Board of the Council has been striving to convince people that it is not just a "disciplinary board." It is the largest of our school organizations, students and teachers working together, for the good of all.

It is proud of its 1929 record. The most noteworthy of its accomplishments being: double files on all staircases; the "Golden Book," in which are inscribed the names of Freshmen, Sophomores, and Juniors who have rendered cheerful, every-day services to the school and city; the "Radio Committee," which is investigating the cost of a "School Radio" and possible ways for raising the money; its latest venture, and one that is sure to be a great success, is the introduction of "Honor Study Rooms," where a lieutenant takes the attendance and each pupil is on his honor to remain quiet and study.

Each year there is a School Council Convention for all the School Councils of Massachusetts. This year Everett was well represented at Brookline, and the 1929 President of the Associated Body of School Councils of Massachusetts was Herbert Maguire of the Everett High School Council.

The School Council members, of the future, have the sincere well wishes of the members of '29.

## THE RADIO CLUB

The club was formed in 1928 by Mr. Seaverns, and was opened to Freshmen, Sophomores, Juniors, and Seniors. Members had to be limited because of lack of equipment.

The purpose of the club is to give all those interested in radio a chance to express themselves, and to create a keener interest in radio among the students.

The club has the privilege of using the generating room of the High School. Meetings are held every Wednesday the seventh period in Room 125.

The officers of the club are as follows:

President, Harold Beane

Vice-President, Charles Toce

Secretary, Walter Pothier

Faculty Advisor, Mr. C. F. Seaverns

## TECH CLUB

The Tech Club is composed of the boys of the upper classes of the Mechanic Arts Department.

The purpose of this club is to sponsor a feeling of good-will among the students of the department, to accustom the boys to appear before a gathering, and to discuss Technical subjects. Messrs. Seaverns, Snow, McAlpine, Ashley, C. O'Neill, Wendelstein, and Putnam of the faculty addressed the club during the year. In addition to the faculty members, many of the club members gave talks during the club periods.

The club as well as the students of the school enjoyed many motion pictures in Rockwood Auditorium under the auspices of the Club.

The club is indeed grateful to Messrs. McAlpine and Snow, our faculty advisors, for their untiring efforts to make the club a success.

## *ART CLUB*

The Art Club, although rather small in size, has made up for this in its fine accomplishments. We have had a great deal of fun on our many museum and gallery tours, and also in our own room, 316. Here we have done the most jolly and interesting things for Christmas as well as other holidays.

All of the club activities were done under the leadership of Miss Guptill and Miss Wenz to whom we owe much for the club's success.

Our officers are:

President, Gordon Clerke

Vice-President, Margery Harrington

Secretary, Lois Stockard

Treasurer, Ethel Harper

We sincerely hope that future art clubs will have as successful years as the one that we are just completing. Good luck!

It was one of the attractions at the Kiwanis Mid-night Show. The Kiwanis Club entertained the girls at a noon-day luncheon in appreciation of their coöperation to make the benefit show a success.

The Annual Reunion of the Girls' Glee Club was held in the gym in May. Many alumnae attended, from Everett and other cities.

## EVERETT HI-Y CLUB

This club of boys from the three upper classes constitutes one of the most important cogs in high school life. Membership in it is a valuable asset to every boy because of the training it gives him. This efficient organization holds meetings each Monday evening in the Hi-Y room at the Y. M. C. A., with a supper and induction meeting once each month. At each meeting, when the business is over, entertainment is provided by the members themselves and a speaker is presented as well. Between meetings the members are busy backing up various worthy projects such as the Freshman Reception, Y. M. C. A. drive, charting the city, state and district conventions, camp, and conclave at Springfield. These diversions all help to give the fellows something to do.

At a special induction ceremony, our beloved principal, Wilbur J. Rockwood, was made an Honorary Member.

The officers and members are as follows: President, Herbert McKeague; Vice-President, George Rideout; Secretary, Sumner Whittier and Warren Bowers; Treasurer, Jack T. Turner; Faculty Adviser, Lenox B. Putnam; Bertram Cameron, Fred Crowell, Harry Carbon, Winthrop Fraser, Elwyn Hamilton, Walter Casey, Robert Davis, Lester Legrow, Leonard Edwards, Reginald Smith, Arthur Wilson, Ralph Phillips, Ralph Spear, William Brown, Joseph Cannell, Arthur Dunlea, Robert Hall, Gordon Pearson, Ward Wallace, Stanley Whittemore, True Waltz, John Snook, Walter Moore, Vincent Brunke, Philip Bryant and Marshall Kearney.

## THE GIRLS' ENGLISH CLUB

We are twenty-nine in number and '29 in year.

Our officers are:

Helen Mannion ..... President
Marie Hagman ..... Vice President
Lena Crivello ..... Secretary
Margery Miller ..... Recording Secretary
Lillian Carey ..... Treasurer
Miss Brown ..... Faculty Advisor

So fleetly the days have sped that it seems almost no time since we took up the round of business and pleasure annually afforded the senior academic girls who become G. E. C. members. Nevertheless, in this short time, history has been amaking.

Our programs have included talks and readings which have furthered our acquaintance with the haunts and habits of literary Americans.

We have conducted many social activities. Indeed—

We went to Tufts one night to see
Two comedies and a tragedy:—
"Medals were shown by an old lady"
To "War Brides" and 'O'Flaherty."

We took a trip to the Old North Church,
Once made famous by Paul Revere;
We looked around and saw the sights,
And after that we came back here.

"The New Henrietta," a very good play
To the Repertory had made its way;
We girls met together, and on pleasure bent
We made great haste and thither went.

Refreshing indeed is a hike in the night
Like the hike we took 'neath the moon's bright light.
Four miles coming and four miles going—
And all the while it kept on snowing.

And lest we forget, let us foresee
The coming event of the annual tea
That the girls of the present G. E. C.
Give to the girls of the club to be.

MARGERY MILLER, Recording Secretary
LENA CRIVELLO, Secretary

## THE LIEUTENANTS

Each year our Traffic System improves and of course, like every other organization that progresses, it has the head man, the middle men, and the masses.

The head man, in this case, is the Captain, Lester Legrow.

The middle men are the Lieutenants:

Third floor ..... Arthur Phillips
Second floor ..... Norman McKenzie
First floor ..... John McCallum
Basement ..... Morris Carol
Door ..... Charles Toce
Outside ..... Edward Murphy

The Lieutenants are Seniors, who, during their Junior or Sophmore year, worked on the Traffic Squad as officers. In this capacity, they proved better than the average officer and were, therefore, promoted to the position of Lieutenant at the beginning of their Senior Year.

The Lieutenants of '29 wish to extend their best wishes to the Lieutenants of the Future.

## CURRENT EVENTS CLUB

President: Carl Ephraim Ahlquist Secretary-Treasurer: Christine Henderson
Vice President: Joseph Hogan

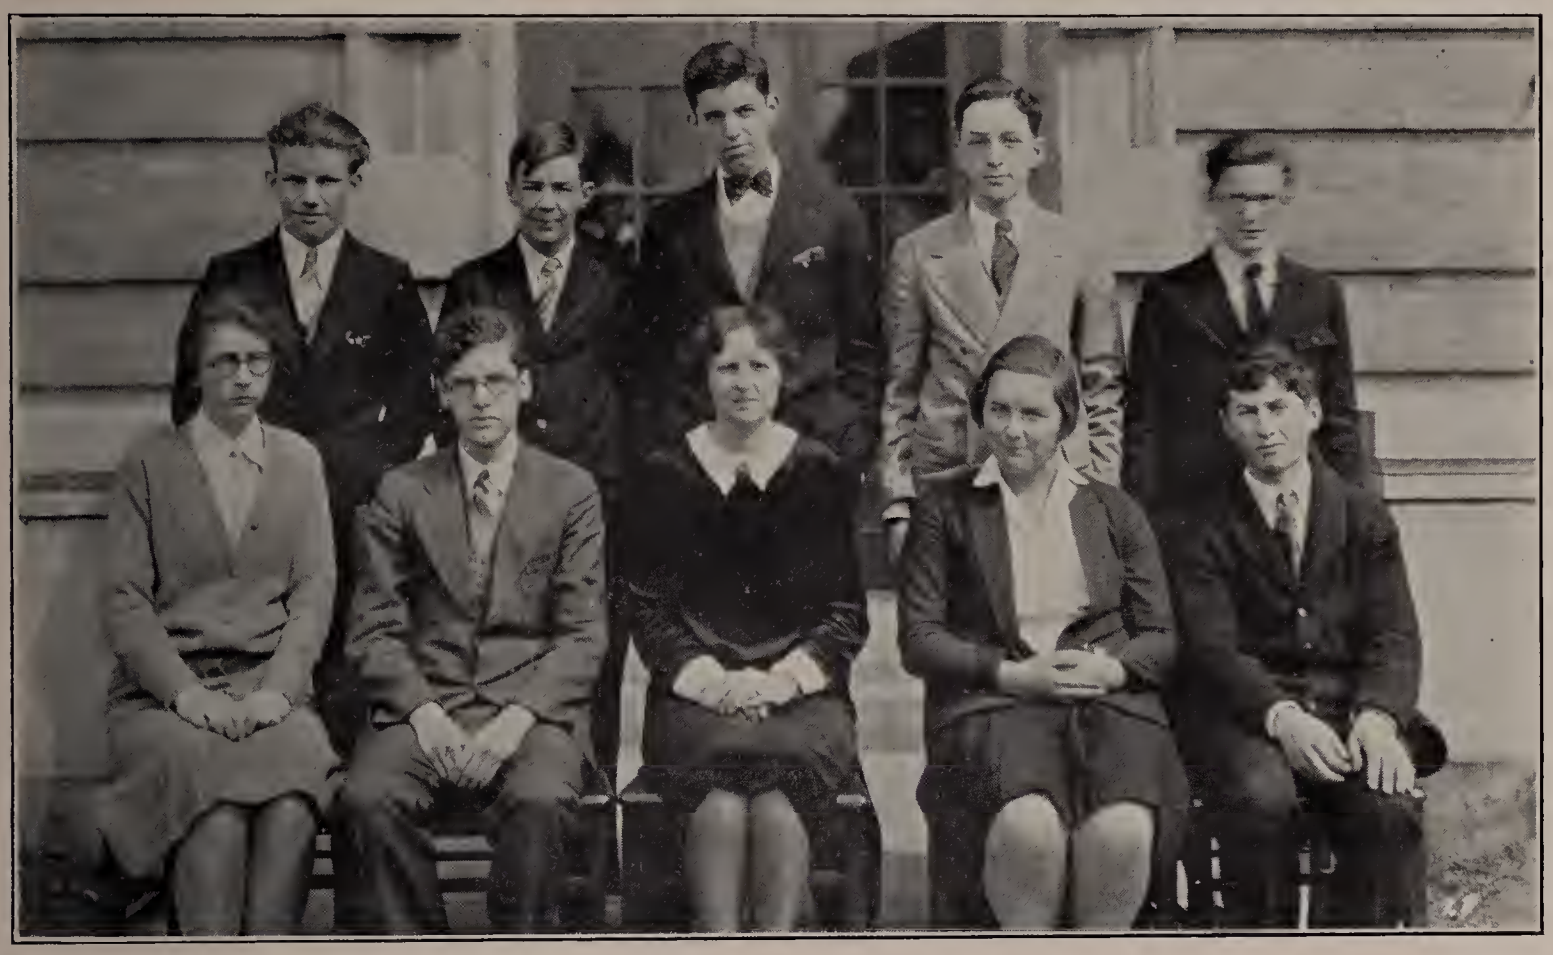

Executive Committee:
Carl Ephraim Ahlquist, Joseph Hogan, Christine Henderson, Edward Lewis, Carl Westman

Faculty Advisor: Walton S. Hall

The Current Events Club was started in 1928 with Donald Dunnan as president. Its purpose was to educate the members in current events and to instill in them a desire to understand world affairs. Talks during club meetings were given by John Mannion and James Monahan in newspaper work. The club presented several reels of film in the Rockwood Auditorium which enabled the members to contribute $25 to the scholarship fund. An interesting visit to the State House, where the members met Governor Allen, was made possible by the coöperation of Representative Spear.

## CHEMICAL ASSOCIATION

February 4, 1929, saw the birth of the Everett High School Chemical Association. This society is composed of upper classmen, for the purpose of promoting chemistry in industry and the home.

During the course of the year the club made excursions to the Merrimac Chemical, Schrafft's Company, Boyd's Milk, and Lever Brothers.

The officers of the club are as follows:

Ralph Spear ..... President
W. H. Metten ..... Vice-President
Lois Crowell ..... Secretary and Treasurer
Mrs. Holt ..... Faculty Advisor

## THE GIRLS' AERO CLUB

In November, 1928, the first Girls' Aero Club of the school was formed under the direction of Miss Dugan.

The officers are as follows:

Emma Toth ..... President
Ella Palmer ..... Vice-President
Eleanor Palmer ..... Secretary
Grace Crane ..... Treasurer

The meetings have been used to learn more of the art in aircraft building and many planes have been made. Some of the girls have competed in outside aircraft tests.

The club put on an assembly early in the year when Mr. Tonis and Mr. Russell, both directors in aircraft work, flew model plaines and described the making of them.

The club period has proved a great success and Miss Dugan has kindly given up her time to help the girls. Now our year is drawing to a close, leaving pleasant memories of a joyous year.

Every member has been active in some way or other and we are looking forward to another year which we hope will be even more successful.

## THE "E" CLUB

The "E" Club was organized on February 6, 1929, with Coach Dennis A. Gildea as faculty advisor and with the following athletes as members:

| | | | | |
|---|---|---|---|---|
| Willard Davis | Anthony LaCourt | Winthrop Fazier | Robert Ward | Herbert McKeague |

| James Bleiler | Arthur DeAngelo | William Harkins | Lawrence Sjostead | |

A constitution was drawn up and temporary elections were held.

Membership in this club is restricted to athletes who have earned an "E" in some branch of sport.

The purpose of this club is to establish high ideals in athletics and to encourage future students to go out for athletics and make their letter.

The Club ran many entertainments. They usually consisted of a collection of films of college sports which were explained by some prominent man as they were shown.

Among those who have addressed the Club were:

Major Cavanaugh of Fordham College, New York; Coach Hines of Brookline, and Mr. Oscar Nelson of Harvard.

The crowning achievement of the Club was the "E" Club Play, "College Cut-ups," which was immensely popular and successful. Many offers were made for a second showing.

An inter-organization, known as the "E" Club Quartette, with Carrol C. O'Neill as director, was retained from the quartette in the play and has been heard at many entertainments in, and outside of, the school. The quartette consists of:

Lester Borden ..... First Tenor
James Bleiler ..... Second Tenor
Matty Ott ..... Second Base
Donald Dunnan ..... First Base
Vincent Brunke ..... Accompanist

The "E" Club will continue to grow in the future, upholding the high sportsmanship and ideals of the Everett High School.

# FOOTBALL

Everett High School's Football Team of 1928 forms football history of a pleasing sort. Where it came from nobody knows—a green team, once a gang of scrubs, accomplishing the fine record that it did.

Led by Captain Frank Digby and Coach Dennis Gildea, this group of determined warriors went through one of the best seasons in some time.

The first game came with St. Peters High, who got away with a tie, and certainly the outlook for the season was not going to be easy. Then the machine began to work and Stevens High was crushed by a score of 26–0. But this was not a real test; next came Rindge, and again Everett came out victorious by a 58–0 score. Then the real test, a game never to be forgotten, Everett 12, Newton 9. Again at Brookline the boys came from behind to beat Brookline High 18–12. Medford was next and what a game. A team that had beaten many of the leading teams of the state. Everett played a scoreless tie. The nerve and fight of the team was certainly brought out in this battle.

Then in the seventh game, after a bitter battle, Somerville defeated Everett by a 6–0 score, showing that it was a great game.

Once again came Everett's chance to play Malden, and this time defeating them by 7–0. A great game.

In the same week Salem had to be tackled, and the boys put up a fine battle, but Salem emerged with a victory of but 6–0. The crowning of the season was a well-earned 14–0 victory over Cambridge Latin, finishing the 1928 season heads up and tied for Suburban honors.

For the hard schedule played, the green team playing, the names of the 1928 football team cannot easily be forgotten.

## *BASEBALL*

A fine outlook for the 1929 season is the prediction of the followers of the game. Several veterans are available and many new players look as good as the veterans. The coaching of the squad was first taken over by Mr. Frank Ross, former Dartmouth star, because of Coach Gildea's busy session of spring training at the football field.

At the time of writing, but three games have been played. The squad, however, has a bright outlook because of the fine material available.

Jerry Paglucia, catching; Bob Ward, Art DeAngelo, Lefty Shea, and John Curtan, pitching; Donald Dunnan, John DelIsola at first base; William Harkins at second; John Collins, Francis Obery, playing short stop; Matt. Ott and Geo. Golden holding down third base; John O'Brien, Jimmie Bleiler, David Abrams, J. Bellafatto, all playing the outfield. This list makes up the squad, and indeed with the power of this group, and the supervising of both Coach Gildea and Frank Ross, a successful year ought to be the outcome.

The scores for the 1929 Baseball Season are:

# *BASKETBALL*

The Basketball season of 1929 marks a fine step in the program of E. H. S. athletics. The exhibition of the fine games played shows great encouragement for future teams. At the first call for candidates, sixty, new but hopeful aspirants, tried out for the team; but finally the squad was weeded down to twenty men.

The first squad was led by Capt. Kelley, and comprised of Del Isola, Harkins, Paglucci, Kavanaugh, Tomasello, Yavarow, and Harrington. The second squad, led by Capt. Pendergast, was comprised of Smith, Mortellite, Fugelstead, Obery, Burton, Ott, Bellafatto, Rogers, Dunnan, and Conrad.

Out of the total of sixteen games, the team won six and lost ten, six of the losses being by a margin of not more than four points.

Graduation takes but few of the regulars, leaving great inspiration for a new season.

Harkins, Paglucci, Tomasello, and Kavannaugh were leading scorers for the season.

With the intensive schedule played and a new team on hand, the squad did very well.

The second squad won ten of their fourteen games.

The season of 1929 closes for the basketball squad a fine year of building up material for teams in time to come.

The season's record is as follows:

| | | | | | | | |
|---|---|---|---|---|---|---|---|
| Everett | 27 | Alumni | 16 | Everett | 29 | Lynn Classical | 20 |
| Everett | 15 | Chelsea | 16 | Everett | 23 | Salem | 27 |

## *GIRLS' BASKETBALL TEAM*

The Girls' Basketball Team had what might be termed a successful season. This is the first time in three years that the girls had a full schedule and received the modified Old English "E". The good work of the manager, Doris Lee, helped to bring this about. The girls formed a team with only three veterans and won five, tied one, and lost four of their games.

Captain Alba Salvi who has led the team for two years was the outstanding player. "Abs" played guard and was successful in keeping the opponents' scores low. Arie Opderbecke, a veteran guard, helped Captain Salvi in her efforts. Florence Kelley, Captain-elect, was the high scorer of the team. It was through her brilliant playing that Everett made such a good record. The other forward was Bernice Lindegren.

Through the work of Jessie Anderson, Center, and Elsie Paulson, Side Center, the ball was constantly in the forwards' hands.

The team and those receiving letters are: Captain Salvi, Captain-elect Kelley, Arie Opderbecke, Bernice Lindegren, Jessie Anderson, Elsie Paulson, Janet McCallum, Dorothy Marsters, Gertrude Snoen, Pat Oram and Doris Lee, Manager.

DORIS LEE, Manager

## TRACK

Track is fast coming into prominence, due to the untiring efforts of Coach Gildea. Last year, under the captaincy of Ernest Spicer and the coaching of Mr. Gildea, we had a rather successful season, participating in eight dual meets, winning six and losing two.

This season with Captain Bleiler, Let Borden, Jimmy Coviello, Jerry Pagluccia, Vin Brunke, Mattie Ott, Dick Reeves, Don Dunnan, Herb McKeague, and Gene Snook as a nucleus, the track season is bound to be a success.

## TENNIS TEAM

The Tennis Team looks forward to a successful season with Mr. Koetter as Coach and Leonard Bloom as Captain. Although the schedule, a most difficult one, includes the best teams in the state, the boys expect to make a strong bid for the Suburban League Championship. The hopes of Mr. Koetter lie in a perfectly balanced team which will include Captain Bloom and Manager Kavanaugh, two veterans, and R. Smith and W. Wilson, two men of exceptional promise.

The schedule:

April 29—Everett vs. Somerville at Everett
May 3—Everett vs. Newton at Everett
May 7—Everett vs. Arlington at Arlington
May 10—Everett vs. Malden at Everett
May 15—Everett vs. Lynn at Lynn
May 20—Everett vs. Brookline at Brookline
May 27—Everett vs. Woburn at Woburn
May 31—Everett vs. Quincy at Quincy
June 3—Everett vs. Cambridge at Everett

*Wallace Evans Turner Thibault Bloom Katz Edwards*
*Samuelson Abrams Phillips LeGrow Pearson Golden*

## *INTER-ROOM BASKETBALL CHAMPIONS*

This year the inter-room basketball champs were from a senior room, 213. The team was unbeaten in the High School, defeating the Room 317 team of Sophomores in the finals by a 21–7 score. The closest games of the season were played with teams from Rooms 209 and 125.

The first team consisted of Ralph Phillips, Capt., and David Abrams, forwards; Richard Samuelson, center; Lester Legrow and Pearson, guards. Scoring was evenly divided among the forwards and the "roving" back; passing and team play played a prominent part in all the games. The "subs" were Wallace, Katz, Thibault, Edwards, and Bloom. The team was fortunate in having as manager and coach, George Golden, of the football team.

NEVERTHELESS ~ LESTER HAS A KIND HEART ~ AMEN!
"MATTIE" LOOKS CURIOUS ~ AIN'T MEN FUNNY, HUH?
HAZEL PARMENTER
"CARPY" (?)
GEORGE SAYS THAT THE ONLY MATTER WITH HIS CARICATURE IS THAT IT DOESN'T LOOK LIKE HIM AND IS NOT CLOSE ENOUGH TO BETTY'S.
BRUNKE (?) IS SORE BECAUSE HIS PICTURE IS NOT WHERE IT SHOULD BE (I.E. OF COURSE NEAR—)
JEALOUS? AINTCHA, HUH?
MABEL HOWE (AND HOW!)
NOTE
WE WOULD HAVE HAD MORE CARICATURES BUT ON ACCOUNT OF EDDIE'S FEET WE ARE LACKING SPACE.
(GOD BLESS YOU EDDIE!)
NONE OTHER THAN EDDIE — 'NUFF SAID.
WITH EDDIE IT'S ONLY A MATTER OF FEET!
THEY WANT YOU TO GUESS WHO THEY ARE.
YOU ONLY DIE ONCE ANYHOW.
GLIMPSE OF YOURS TRULY AFTER SOME OF YOU SAW THE ABOVE ~ ER PICTURES.
